Açılan Pack Installer penceresinde Board sekmesini seçtikten sonra arama kutusuna stm32f407 yazarak ilgili kartlar getirilir ve ilgili Discovery kart seçilir.

Aynı pencerenin sağ kısmında eğer kurulu veya güncel değilse

Keil::STM32F4xx_DFP

ARM::CMSIS

ARM::CMSIS-Driver kurulmalıdır. Kurulu olmayan paketler internetten indirecektir ve kurulması biraz zaman alabilir.
